THE ADVENTURES OF TEAM BRAIN IS A PLAYFUL TAKE ON BRAIN SCIENCE & EMOTIONAL REGULATION

INTERACTIVE STORYTIME (20 MIN)

TARA GRATTO M.S.ED., MA, OCT

Experienced Educator PK-12, Parent Consultant & Author

Children (and caring adults) will learn what's happening in those big feelings moments, what the stress cycle is and how building tools for their feelings is not only important BUT it can also be super fun!!

DRAWING CLASS (20 MIN)

JEROME CABANATAN

TKD Master Instructor & Cartoonist

Children will learn to take risks, accept imperfections and work through a new skill. In this process they will also understand how drawing can be a great tool for their feelings!

QUESTION & ANSWER (10 MIN)

One of the most impactful parts of our presentation is children asking us questions about our publication journey, how we solved our differences of opinion and seeing how our completely different personalities came together to make something important!
